

*A Mother's Day Prayer
for Every Day*

FaithForGenerations.com

Dear Heavenly Father,
Thank you for the gift of motherhood.
Bring your peace, your comfort, your hope and your joy to the
circumstances we face as moms.

Help new and expectant mothers gracefully fill this new role.
Give wisdom to each mother facing the daily challenges of being a good mom.
Come alongside those who are rearing children all on their own.
Grant patience and perseverance to moms whose children have special needs.
Encourage women who are stepping out to foster or adopt children.
Blossom relationships as mothers let go of adult children.

Hold close the one whose desire to be a mother has not been fulfilled,
fill the emptiness in her heart.

Heal strained relationships between mother and child.

Comfort those who have lost a child.

Grant restoration and peace for those secretly grieving the loss of an aborted child.

Bring to mind sweet memories for those who have lost their mother.

Lord, please let our love be deep and tender.

Despite our own circumstances, help us teach all children to know & do your will.

Let us be worthy models for the children influenced by our lives.

We ask all of these things in the powerful name of Jesus.

Amen.
